The tournament will run with two leagues of 3. If two teams are tied on points, the team that won the match between them will go above the other as per the HPA rule book. In the event that three teams are tied on points, a penalty shootout shall take place.

Team entries must be paid before the tournament start date, otherwise the team will not be allowed to play.

Each team is responsible for providing two umpire ponies per match, unless previously agreed with the manager.

In order to qualify as a playing member, both club and HPA membership must be paid before the beginning of the tournament.

Ponies must be offered water and have studs removed before leaving BPC.
